

7th International Carpathian Control Conference

ICCC'2006

Ostrava – Beskydy

(Rožnov p.R., Hotel Relax)

Czech Republic

29th - 31th May, 2006

VŠB-Technical University of Ostrava
Department 352, ICCC'06 secretary
Av. 17. listopadu 15
708 33 Ostrava-Poruba
Czech Republic

The aim of the conference

The aim of the conference is to support exchange of information and experience in the field of automation in engineering and production, in research, applications and education. The conference will enable to present the most recent advances in complex mechanization, robotics, control of production and technological processes, including quality control systems oriented to environment, means of support, and information technologies.

Scientific Program

The scientific program of the ICCC'2006 conference is divided in these areas, which will run in parallel sessions:

1. Measurement, sensors, monitoring and diagnostic systems.
2. Identification, modelling and simulation of processes and systems.
3. Theory and application of control systems.
4. Automation, mechatronics, robotics
5. Intelligent embedded systems and instrumentation
6. Information systems (SCADA/HMI, GIS, MES) and their Internet support.
7. Engineering application of informatics.
8. Quality control systems (TQM), production management and industrial logistics.
9. Engineering education in Control and Computer systems.

The official language of the conference is English.

Important deadlines

January 30, 2006 - delivery of the preliminary registration card and an abstract (it is possible to send an abstract and the preliminary registration card by e-mail).

February 12, 2006 - acknowledgement of acceptance of the proposed paper or poster.

March 5, 2006 - the final registration card delivery, accommodation reservation, the full text of the paper (in English), and payment of the conference fee.

May 29-31, 2006 – conference negotiation.

Zdzisław Gosiewski, Białystok Technical University (PL)
Mária Imecs, Technical University of Cluj (RO)
Josef Janeček, Technical University in Liberec (CZ)
Kazimierz Jaracz, Academia Pedagog. Cracow (PL)
Zenon Jędrzykiewicz, AGH – UST, Cracow (PL)
Božo Kolonja, TU Beograd (YU)
Karol Kostúr, Technical University of Košice (SK)
Imrich Košťál, Technical University of Košice (SK)
Janusz Kowal, AGH – UST, Cracow (PL)
Štefan Kozák, Slovak Technical University of Bratislava (SK)
Dušan Krokavec, Technical University of Košice (SK)
Eva Kureková, Slovak Technical University of Bratislava (SK)
Janusz Kwaśniewski, AGH – UST, Cracow (PL)
Dušan Malindžák, Technical University of Košice (SK)
Ján Mikleš, Slovak Technical University of Bratislava (SK)
Petr Noskovič, VŠB-Technical University of Ostrava (CZ)
Michail B. Nosyrev, UGG Academia, Jekaterinburg (RU)
Gábor Péceli, Technical University Budapest (HU)
Igor Podlubný, Technical University of Košice (SK)
Dan Popescu, University of Craiova (RO)
István Preitl, Politechnica of Timisoara, (RO)
Tomáš Saloky, Technical University of Košice (SK)
Bogdan Sapiński, AGH – UST, Cracow (PL)
Miloš Schlegel, University of West Bohemia (CZ)
Lubomír Smutný, VŠB-Technical University of Ostrava (CZ)
Vladimír Strakoš, VŠB-Technical University of Ostrava (CZ)
Miloš Šeda, Brno University of Technology (CZ)
Ivan Švarc, Brno University of Technology (CZ)
Bohumil Šulc, Czech Technical University in Prague (CZ)
Ivan Taufer, University of Pardubice (CZ)
Tadeusz Uhl, AGH – UST, Cracow (PL),
Andrzej Urbaniak, Poznan University of Technology (PL)
József Vásárhelyi, University of Miskolc (HU)
Vladimír Vašek, University of T. Bata in Zlín (CZ)
Antonín Viteček, VŠB-Technical University of Ostrava (CZ)
František Zezulka, Brno University of Technology (CZ)
Pavel Zitek, Czech Technical University in Prague (CZ)

Best papers

Each paper will be included in the program and in the Conference Proceedings volume after positive reviewing. Best papers will be published also in the Transactions of Mechanical Engineering Faculty TU of Ostrava.

Instruction for writing abstracts

- ⇒ Title of the lecture in English; author(s), address(es), telephone, fax, e-mail;
- ⇒ Key words (up to 7);
- ⇒ Text of the abstract (up to 500 words) in MS Word.
